ABSENT.

Non-official Member.

1. William Pritchard, Esq., Superintendent, Mysore Mines.

1. Read and confirmed the proceedings of the last meeting.

2. Read and passed the estimates sanctioned by the Vice-President, in anticipation of the Board's approval.

3. Read and recorded the statements of vaccination for the months of August, September and October 1907.

4. Read Government Notification dated 4th November 1907, declaring that vaccination shall be compulsory in the Sanitary Board local area for a period of one year from the date of notification.

Resolved that vernacular notices to this effect be sent to all villages and Cooly Colonies within the Sanitary Board area and the purport thereof be published by beat of *tom-tom*.

5. It was considered whether the cost of water-supply to the town of Robertsonpet as well as to Cooly Colonies be met from the Sanitary Board Funds.

Resolved that the Board should meet the charges for laying down pipes, etc., to Robertsonpet from their closing balance and that Government be requested to advance Rs. 15,000 for water connection to the Cooly Colonies to be repaid in five yearly instalments of Rs. 3,000 each.

6. *Resolved* that Government be requested to sanction the continuation of the Market Staff for another two years, as the Board are of opinion that a better control can be kept over the affairs of the Market than if the right to collect fees was sold by auction. On account of the present plague scare, it is unlikely that good tenders would be received.

7. *Resolved* that the necessary repairs to the tunnels and drains on Piercy Road near Tennant's Shaft, Champion Reefs, be carried out early.

8. *Resolved* that Government be asked to sanction a temporary Hospital Assistant to itinerate in the plague-infected villages and give necessary medical aid to the patients who at present are almost entirely without medical help.

P. F. BOWRING,

For *President, Sanitary Board, Kolar Gold Fields.*
